Now if you're feelin' kinda low 'bout the dues you've
been paying
Future's coming much too slow
And you wanna run but somehow you just keep on
stayin'
Can't decide on which way to go
Yeah, yeah, yeah

I understand about indecision
But I don't care if I get behind
People livin' in competition
All I want is to have my peace of mind. (yea

Now you're climbin' to the top of the company ladder
Hope it doesn't take too long
Can't cha see there'll come a day when it won't matter
Come a day when you'll be gone

I understand about indecision
But I don't care if I get behind
People livin' in competition
All I want is to have my peace of mind.

Take a look ahead, take a look ahead, yeah, yeah,
yeah, yeah... whoa!

Now everybody's got advice they just keep on givin'
Doesn't mean too much to me
Lot's of people out to make-believe they're livin'
Can't decide who they should be.

I understand about indecision
But I don't care if I get behind
People livin' in competition
All I want is to have my peace of mind.

Take a look ahead, take a look ahead. Look ahead.
