You're one in a million  
Oh  
Now  
You're one in a million  
Oh

Sometimes love can hit you everyday  
Sometimes you can fall for everyone you see  
But only one can really make me stay  
A sign  
From the sky  
Said to me

[Chorus]  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above us  
You're one in a million  
You're once in a lifetime  
You made me discover one of the stars above us

I've been looking for that special one  
And I've been searching for someone to give my love  
And when I thought that all the hope was gone  
A smile, there you were, and I was gone

I always will remember how I felt that day  
A feeling indescribable to me  
Yeah  
I always knew there was an answer for my prayer  
And you, you're the one, the one for me

[Chorus]

You're one in a million  
(oooooooooooooooooooo)  
You made me discover one of the stars above us  
(oooooooooooooooooooo)  
You're one in a million  
(oooooooooooooooooooo)  
You made me discover one of the stars above us

In the beginning I was cool and everything was possible  
they tried to catch me but it wasn't possible  
No one could hurt me it was my game  
Until I met you baby and you were the same  
And when you didn't want me, I wanted you  
Because the funny thing about it is I like the show  
I like it when its difficult, I like it when its hard  
then you know it's worth it, that you've found your heart  
found your heart...

woooooooooooo  
woooooo  
woooooOOOOooo  
woooo  
woooo

[Chorus x2]

You're one in a million  
OOOOOOh  
oooooooooooo  
You're one in a million
