Your one in a million

Oh

Now

Your one in a million

Oh

Sometimes love can hit you everyday

Sometimes you can fall for everyone you see

But only one can really make me stay

A sign

From the sky

Said to me

[Chorus]

Your one in a million

You're once in a lifetime

You made me discover all the stars above us

Your one in a million

You're once in a lifetime

You made me discover all the stars above us

I've been searching for that special one

And I've been searching for someone to hear my love

And when I thought that all hope was gone

A smile there you were, and I was gone

I always will remember how I felt that day

A feeling indescribable to me

Yeah

I always knew there was an answer to my prayer

And you, your the one, the one for me

[Chorus

Your one in a million

(oooooooooooooooooooo)

You made me discover all the stars above us

(oooooooooooooooooooo)

Your one in a million

(oooooooooooooooooooo)

You made me discover all the stars above us

In the beginning I was cool and everything was possible

You tried to catch me but it wasn't possible

No one could hurt me it was my game

Until I met you baby and were the same

And when you didn't want me, I wanted you

But the finer thing about it was I like the show

I like it when its difficult, I like it when its not

You know it's worth it if you find your heart

wooooooooooooo

wooooooo

woooooOOOOooo

woooo

woooo

[Chorus x2]

Your one in a million

OOOOOOh

oooooooooooo

You're one in a million
