And you can bring me to my knees, again
All the times, that I can beg you please, in vain
All the times that I felt insecure, for you
And I leave my burdens at the door

I'm on the outside
I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

All the times that I felt like this won't end
It's for you
And I taste what I could never have
It was from you
All the times that I tried, my intentions, full of pride
but I waste more time than anyone

But I'm on the outside

And I'm looking in
I can see through you
See your true colors
'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you

All the times, that I've cried
All this wasted, it's all inside
And I feel, all this pain, stuffed it down
It's back again
And I lie, here in bed, all alone, I can't mend
but I feel, tomorrow will be okay

That I'm on the outside
I'm looking in
I can see through you
See your true colors

'Cause inside you're ugly
You're ugly like me
I can see through you
See to the real you
