I wanna be... I wanna be
I wanna be a celebrity

I'll hit the stage everyone'll be screamin my name
Paparazzi gonna follow me every place
I'm gonna sell 10 million copies my first cd
I'm even gonna make my own movie

And oh... yeah I'm
Goin' big time Judy will wanna be mine
And oh... yeah I'm
Even gonna have my own clothing line... That's right

[Chorus]

I wanna be... I wanna be
I wanna be a celebrity
I wanna be... I wanna be
I wanna be a celebrity
I'll hit the clubs rollin' up in my limousine
Girls will be cryin', guys will be wishin' they were me
I wanna be... I wanna be
I wanna be a celebrity

I'll have my own yacht... I'll have my own jet
Painted on the side in bright red it's gonna say Fred
Here comes a crazy fan... uh huh... up in my face... oh
no
Security... Take this guy Kevin away

And oh... yeah I'm
Goin' big time Judy will wanna be mine
And oh... yeah I'm
Just getting started... You know I'm goin' world wide

[Chorus]

I wanna be... I wanna be
I wanna be a celebrity
I wanna be... I wanna be
I wanna be a celebrity
I'll hit the clubs rollin' up in my limousine
Girls will be cryin', guys will be wishin' they were me

I wanna be... I wanna be
I wanna be a celebrity

All the haters that said I could never make it well
Where are they now... I don't hear a sound
The signing autographs and all the adoring fans
What can I say... It's good to be me
Now the Hollywood sign it says Fred
I'm bigger than life... As big as it gets
I know what I want... I'm taking over the world
And Judy's finally gonna be my girl

I wanna be... I wanna be
I wanna be a celebrity
I wanna be... I wanna be
I wanna be a celebrity... Cm'on!

[Chorus x2]
I wanna be... I wanna be
I wanna be a celebrity
I wanna be... I wanna be
I wanna be a celebrity
I'll hit the clubs rollin' up in my limousine
Girls will be cryin', guys will be wishin' they were me
I wanna be... I wanna be
I wanna be a celebrity
