fred: who's ready to party  
group: we're ready to party  
fred: getting it started  
group: life is a party  
fred: who's ready to party  
group: pong a rong tong eee  
fred+group: everybody hands in the air

i been to the dam... the dam was dry  
never gave up....not a single time  
faced my fears ...saved the day  
kept my swagger, and i'm here to say

i dug a hole to china ...swam the highest seas  
been there done that... oh please  
it's all about ...the here and now...  
aint nothing ever gonna keep me down...no

now i need to know

fred: who's ready to party  
group: we're ready to party  
fred: getting it started  
group: life is a party  
fred: who's ready to party  
group: pong a rong tong eee  
fred+group: everybody hands in the air

fred: who's ready to party  
guys: she's ready to party  
fred: getting it started  
girls: we're havin a party  
fred: who's ready to party  
group: pong a rong tong eee  
fred+group: got it goin on right here

i been washed up, been on and off the bus  
now i'm back...and i'm livin it up  
made it out of the woods ...stayed true to myself  
cause i ant into tryin to be ... nobody else

you know me... i got game

freds just got it goin on that way  
we're kickin it off...we're doin it right  
and we can keep it goin till the morning light so  
i really need to know

fred: who's ready to party  
group: we're ready to party  
fred: getting it started  
group: life is a party  
fred: who's ready to party  
group: pong a rong tong eee

fred: who's ready to party  
group: pong a rong tong eee  
fred+group: got it goin on right here

group: o fong fong  
tong hong e  
hong o...o...kong  
this party's off the hook

when i say fred... you say party  
fred (party) fred (party)  
when i say fred ...say it louder  
fred (party) fred (party)

fred: who's ready to party  
group: we're ready to party  
fred: getting it started
