[Verse 1]

There's none greater

Now or later

This I know

Lord of mercy

Light my pathway

Make me whole

[Chorus A]

Just a closer walk with thee

'Cause Your love will make the difference in me

There's no place I'd rather be

Than beneath Your wings of serenity, ohh

[Verse 2]

So prone to stray

Hold me tightly

Don't let go

Shepherd lead me

Guide me daily

I am Yours

[Chorus B]

Just a closer walk with thee

For Your love will make the difference in me, oh Lord

There's no place I'd rather be

Than beneath Your wings of serenity, ohh

{Instrumental Solo}... {Don't let go}

[Bridge]

On my own

Life for me

Wasn't getting better, ohh

When Your love

Captured me

I was found forever

So with every...

[Vamp]

Every step Lord I take

Closer and closer, closer and closer

With every beat my heart makes

Lord when You hear it may it sound like Your own

[Repeat Vamp 1x]

[Vamp 2]

There is no living life Lord without You

No joy is found only sadness

Instead of peace there is sorrow
No quiet calm only madness
Without You, Lord without You
Without You, Lord without You
[Out]
