Hold on and wait just a little while  
Hold on and wait just a little while  
He'll bring a song of strength  
Hold on and wait just a little while, little while

What do you do when the life you've planned is scattered?  
What do you say when the one you love is gone?  
How do you live? Seems like no hope for tomorrow  
Pain doesn't care where you live or who you are

Lord You see my life is broken  
And I don't know what to do  
While I'm in this change, help me remain  
I will count on You, oh, oh

When I can't see, I know You'll guide  
When I cry out, I know You feel  
Now I'm praying, I know You hear  
I'm praying for healing, I know You will

Who do you call when no one has the answer?  
Where do you go when the place you've know is no more?  
When will they stop? All the tears they just keep falling  
Pain doesn't care where you live or who you are

My life is broken  
And I don't know what to do  
While I'm in this change, help me remain  
I will count on You, oh, oh

When I can't see, I know You'll guide

When I cry out, I know You feel  
Now I'm praying, I know You hear  
Praying for healing, I know You will

We ask you to forgive  
And we will do the same  
We receive Your love  
Lord we'll take time to heal

Hold on and wait just a little while  
He'll bring a song of strength in the midnight  
Touch our lives with Your loving hand  
Hold on, we'll hold on, hold on, hold on

Hold on and wait just a little while  
He'll bring a song of strength in the midnight  
Touch our lives with Your loving hand  
Hold on, we'll hold on

Hold on and wait just a little while  
He'll bring a song of strength in the midnight  
Touch our lives with Your loving hand  
Hold on, we'll hold on

Hold on and wait just a little while  
He'll bring a song of strength in the midnight  
Touch our lives with Your loving hand  
Hold on, we'll hold on

Hold on and wait just a little while  
He'll bring a song of strength in the midnight  
Touch our lives with Your loving hand  
Hold on

Hold on and wait just a little while  
Hold on and wait just a little while  
Hold on and wait just a little while  
He'll bring a song of strength in the midnight
