Verse 1:

You hold me like no one else
(And I have never felt a love like this before)
And You love me in spite of myself
(And I have never felt a mercy quite like Yours)
This grace I don't deserve
(And I have never had favor like this before)
More than a blessing You are to me Lord
(And I have to say I'm blown away)
By Your (Your) amazing (amazing) love

Oh oh oh

Your amazing love (Your amazing love, amazing love)

Verse 2:
