Inadequate, insufficient
At a loss and very few
Are all the words I possess at this time
That describe my love for You, Lord

So I lift my hands and worship You
Worship You

My heart so full, it overflows
As it brings a few to me
You're beautiful, marvelous, wonderful
You are everything I need

As I stand in awe and I worship You

'Cause You are the Lord of glory
The bright and morning star
And there is no one like You
And we worship You

You are the living water
That flows from Calvary
A precious healing fountain
And we worship You, oh, Lord
Can I get someone to help me?

Before Your throne I boldly stand
To thank You for every success
I bring to You each victory
But bring also my brokenness

Now in humility will I worship You, oh, Lord?

You are, You are the Lord of glory
The bright and morning star
And there is none like You
And we worship You

You are the living water
That flows from Calvary
A precious healing fountain

And we worship You

You are the risen Savior
The Lord of all I am
The King of all creation
And we worship You

You are the Lord of glory
The bright and morning star
And there is none like You
And we worship You

You are the living water
That flows from Calvary
A precious healing fountain
And we worship You

You are the risen Savior
The Lord of all I am
The King of all creation
And we worship You, oh, Lord

Lord, we worship You
