I know He lives (woah)
I believe He lives (ooh)
I'm sure He lives (woah)
I'm sure He lives
(How y'all doin' today)
I know He lives (the Savior lives)
The Savior lives (ooh, oh)
It's time to celebrate the Savior and His worth
Let's shout because we know He lives and we are
certain
His love has set us free, our enemies defeated
If with me you agree, come on and lift up your hands
[chorus]
Everybody lift your hands if you know that Jesus is
worthy
Open up and give Him praise, let's do it in a hurry
If you love Him, let's glorify in the song and in the
dance
You know the Savior lives come on and lift up your
hands
To understand just why we praise let me tell you how it
all went down
The news spread so very fast, people came from miles
around
This would be the day Christ would be crucified
He took His last breath, He hung His head and He died
They took my Savior down from off that rugged cross
They laid Him in a tomb, it seemed all hope was truly
lost
But the third day came along and brought the rhythm
of life
The stone was rolled away, an angel proudly
proclaimed
[bridge]
He lives (He lives) He lives
(Christ is risen) Christ is risen just like He said
(Our Lord and Savior) The Lord and Savior's no longer
dead
Rejoice and celebrate, He lives, He lives, Jesus, He's
alive
[chorus 2x]
[bridge 3x]
