Created to worship,  
Created to give you praise,  
Created to worship,  
I give you all of me.  
Created to worship,  
Created to give you praise,  
Created to worship,  
I give you all of me  
For I was born with a purpose,  
Placed in the earth,  
Just to give you praise,  
For I was born with a purpose,  
Placed in the earth,  
Just to give you praise.  
Created to worship,  
Created to give praise,  
Created to worship,  
I give you all of me  
Created to worship,  
Created to give you praise,  
Created to worship,  
I give you all of me.
