Lord I'm standing here
And I don't know what to do
The enemy has said
give up cause I am through
So I just lift up my hands
and do what I know best
Give you praise

Worthy, worthy Lord you are.
I'll praise you with my whole heart
I'll sing of your goodness unto me
And I'll bless your name
when I'm afraid cause I know

You are my dwelling place
You are my light, my love, my song
My deliverer
When I am overwhelmed
I will rest in you

I'm not gonna look back
Even though I feel I'm done
Gonna stand and fight
even though I wanna run
Cause I hear your word tell me
To stand until the end

My enemies can cause my tears to fall
But you can save me from them all
I'll sing of your goodness unto me

And I'll bless your name
when I'm afraid

You are my dwelling place
You are my light, my love, my song
My deliverer
When I am overwhelmed
I will rest in you
For you are my peace Lord
In your presence I am saved
Lord you are my dwelling place

You are my dwelling place
You are my light, my love, my song
My deliverer
When I am overwhelmed
I will rest in you
For you are my peace Lord
In your presence I am saved
Lord you are my dwelling place

You oh Lord are my sword n shield
To you oh Lord does my spirit yield
Under your wing, my secret place
In your name I run and I am saved
For You are... My dwelling

You are my dwelling place
You are my light, my love, my song
My deliverer
For You are... My dwelling
For You are... My dwelling {X4}
