I was in the spirit and in heaven saw a throne
And he that sat was to look upon as jasper and sardine
stone
And before the throne a sea of glass and creatures
never seen
And the four and twenty elders sat in robes the blood
made clean
And out of the throne proceeded voices thundering
and light, hey
And the creatures that surrounded Him they rest not
day or night
Crying....

Chorus:

Ho-ly Ho-ly, the four and twenty all fell down casting
down their golden crowns
Crying
Ho-ly, Ho-ly, Worthy the almighty one which was and is
and is to come forever and forever you are
Ho-ly, Ho-ly, the four and twenty all fell down casting
down their golden crowns
Ho-ly, Ho-ly, Worthy the almighty one which was and is
and is to come forever and forever u are Lord
Forever and forever u are Lord,

Forever and forever and forever and forever and
forever and forever u are Lord
Forever and forever and forever and forever and
forever and forever u are Lord

Alpha and Omega

Forever and forever and forever and forever and
forever and forever u are Lord
Forever, Forever, Forever, Forever, Forever, Forever.
