[Verse 1]

I must have made You cry a million tears  
Used enough mercy for a million years  
You'd think by now Your grace would disappear  
Guess that's why You called it love  
You spread Your arms across eternity  
You she'd Your blood to buy my liberty  
You fight for me with all intensity  
With an undeniable love

[Chorus]

How do You love that way  
I need You to teach me to love that way  
Why do You love that way  
Whatever You do don't stop

[Verse 2]

Addicted to my selfishness and greed  
Thinking my foolishness could meet my need  
Pulled up flowers tryin' to make room for weeds  
But it doesn't uproot Your love, I'm so crazy  
You just correct me-try to slow me down  
Rain on me softly when my leaves are brown  
Resuscitate me when I hit the ground  
So tenacious with Your love

[Repeat Chorus 2x]

[Bridge]

I wandered and wavered a ship lost at sea  
I treated Your mercy so frivolously  
Yet an ocean of love You poured over me  
Your love won't stop

[Pre-Vamp]

How do You love oh Lord  
Will You teach me to love that way  
Why do You love  
Whatever You do don't stop

[Vamp]

By holding me, oh Lord  
You're showing me  
By teaching me, oh Lord I plainly see  
Your love indeed, it amazes me  
Whatever You do don't stop  
Why You would smile upon this broken man  
It blows my mind I just don't understand

For the love I need is in Your nail-scarred hand  
Whatever You do don't stop  
[Repeat Vamp-Out]
