Chorus:

I know what he's done blood was for me  
He gave his life to set me free  
Day and night blessings assured  
My faith in his word helps me endure  
No doubt, No doubt  
I know what he's done

(He's been)

He's been mighty good to me

(Protection)

Protecting me from dangers I can't see

He gives me the victory

That's why (3x's)

I love him so!

Chorus

(He's never)

He's never gonna leave me

(He promised)

He promised that his love would cover me

He's been a faithful God indeed

That's why (3x's)

I love him so!

Chorus

I know what he's done (4x's)

No you can't make me doubt him

I know too much about him

The power of his blood prevails

And I am sure he will not fail

I know, I know what he's done

There is

No doubt, no doubt

I know, I know what he's done for me

(Repeat)

That's why (3x's)

I love him so!

I know, I know what he's done  
There is  
No doubt, no doubt  
I know, I know what he's done for me

That's why (3x's)  
I love him so!

I know, I know, I know  
What he's done for me  
I know, I know what he's done for me

That's why (3x's)  
I love him so!

I know, I know, I know  
What he's done for me  
I know, I know what he's done for me

That's why (3x's)  
I love him so!
