(verse 1)

since you hooked up with the savior  
and laid your life down, come on  
didn't let nothin' fade you  
cause you were heaven bound  
the gentle rains in your life just got an upgrade  
to a hurricane, come on say  
in the hands of the master  
it seems like you gotta fight and scratch just to remain

(channel A)

you're gona maki it to the end believe it  
until then

(chorus)

i press  
say that you're gonna press my friend  
still i press  
you're gonna hang on in there 'till the end say  
i press  
you know the king of glory is with you  
still i press  
go in his name and he'll see ya through say  
i press

(verse 2)

my foad is not always easy  
nobody said it would be  
and if you use the word perfect  
i know you're not referring to me  
but here's what i do  
forget the junk behind me  
i set my sights on his high calling

(channel B)

and by faith i'll apprehand, yeah, yeah  
until then

(Chorus)

(vamp)

till i become what he wants me to be, yeah, i press  
this is the goal and the prize that i reach for, i press
