Here I stand before You
Your glory is here and it fills this place
And I am willing to
Do what I must just to know your ways

Everything I've attained
And all I know, I'd give it away
Just to know You, Lord
Would fulfill my whole life so I'm glad to say

I wanna know Your ways
So I can please You each and every day
If I've found favor in Your sight
Teach me Your ways, Your ways

I boast not in myself or the things I've learned
Lord, You know it's true
But I seek after one thing to know Your ways
Then I will know You

Everything I've attained
And all I know, I'd give it away
Just to know You, Lord
Would fulfill my whole life so I'm glad to say

Everything I've attained
And all I know, I'd give it away
Just to know You, Lord
Would fulfill my whole life so I'm glad to say

I wanna know Your ways
So I can please You each and every day
If I've found favor in Your sight
Teach me Your ways, Your ways

I wanna know Ya better, better than I did
The day You know when I met Ya
I never wanna let Ya catch me sleeping on the job
I don't care who thinks it's odd because they ain't my
God

But to know Ya is more than to love Ya

(Know Ya, love Ya)
Because You're real, Ya, I can feel Ya
Everything I've learned and all my skills
I count them dung, yes, I will

Everything I've attained
And all I know, I'd give it away
Just to know You, Lord
Would fulfill my whole life so I'm glad to say

I wanna know Your ways
So I can please You each and every day
If I've found favor in Your sight
Teach me Your ways, Your ways

In Your power, resurrection
As You suffered in Your power
