I'm not afraid  
For I know that He is with me  
Whether I fall or if I fail  
If I follow I know  
He's walking right beside me  
He promised not to leave me  
And if I ever feel alone  
My hands I'll raise and give Him praise  
For I know He takes care of His own

(Chorus)

I'm not afraid  
For I know that Jesus chose me  
Before the world began he called out my name  
And though men may fret or even cry that they give in  
I won't be afraid  
I won't be afraid  
Come what may  
I won't be afraid no oh oh oh oh  
For in him my hope lies

He promised to take care of me
