Jesus be a fence all around me everyday
Jesus, I want You to protect me as I travel along the way
I know You can, yes, Lord, I know You will, yes, Lord
Fight my battle, yes, Lord, if I keep still, yes, Lord
Lord, be a fence all around me everyday

Jesus be a fence all around me everyday
Jesus, I want You to protect me as I travel along the way
I know You can, yes, Lord, I know You will, yes, Lord
Fight my battle, yes, Lord, if I just keep still, yes, Lord
Lord, be a fence all around me everyday

This is my prayer Lord that I pray each and every day
That You would guide my footsteps lest I stumble and
stray
Lord, I need You to direct me all the way long
Oh, Lord, be a fence all around me everyday, Jesus

Jesus be a fence all around me everyday
Jesus, I want You to protect me as I travel along the way
I know You can, yes, Lord, I know You will, yes, Lord
Fight my battle, yes, Lord, if I keep still, yes, Lord
Lord, be a fence all around me everyday

Sometimes the way get so rough y'all and the nights
are so long
In my hour of weakness, that old enemy tries to steal
my soul
But when he comes like a flood to surround me
My God will step in and a standard he'll raise
Oh, Lord, be a fence all around me everyday, ohh Jesus

Jesus be a fence all around me everyday
Jesus, I want You to protect me as I travel along the way
I know You can, yes, Lord, I know You will, yes, Lord
Fight my battle, yes, Lord, if I keep still, yes, Lord
Lord, be a fence all around me everyday

Jesus be a fence, Jesus be a fence
Be a fence right now, Jesus be a fence
Be a fence right now, Jesus be a fence
Be a fence right now, Jesus be a fence

Be a fence right now, Jesus be a fence
As I come and go, Jesus be a fence
Be a fence right now, Jesus be a fence
Say Jesus be a fence

'Cause I need protection, protection
Protection, along the way
Protection, protection
Protection, along the way

Along the way, along the way
Along the way, along the way
Protection, strong tower
My family, along the way

Be a fence, Jesus be a fence
Be a fence right now, Jesus be a fence
Be a fence right now, Jesus be a fence
Be a fence right now, Jesus be a fence

Protection, protection
Protection, along the way
Protection, salvation
Strong tower, along the way

Along the way, along the way
Along the way, along the way

Be a fence, Jesus be a fence
Say be, Jesus be a fence
Be a fence right now, Jesus be a fence
Be a fence right now, Jesus be a fence

Say, protection, strong tower
Protection, along the way
My refuge, my family
My family, along the way

Protection, my [Incomprehensible]
Protector, along the way
My family, my children
My brother, along the way

Be a fence, Jesus be a fence
Be a fence, Jesus be a fence
Say be a fence, Jesus be a fence
Jesus be a fence

Protection, protection
Protection, along the way
Along the way, along the way

Along the way, along the way

Protection, my family
Your family, along the way
My children, your children
My sister, along the way

My brother, my mother
My father, along the way
My family, your family
My father, yeah, yeah, yeah, yeah

Be a fence, Jesus be a fence
Be a fence right now, Jesus be a fence
Say, Jesus be a fence
Be a fence, Jesus be a fence
