Chorus

Jesus is all the world
The world to me
He is my life
He's everything that I hoped for
He's everything that I need
When I am lonely
He gives me comfort
When I'm sad he cheers me
I wanna let you know
If I should fall
He lifts me up
And When I am empty
He fills my cup, yeah

Verse 1

Thinkin 'bout the time when I didn't have a dime
I thought if I could just get paid
I would be just fine
But the money let me down yes it did
It couldn't even buy me love
So I gave jesus, control of my life
And I'm really satisfied
Now I wanna let you know

I dont get excited
About much, but I tell you this
If you wanna know the deal
I'm tellin you jesus is real
He woke me up this morning
And started me on my way
Thats a real nice thing

(Chorus)

Verse 2

Without Jesus, say
I couldn't face the day
Without the Lord in my life
I really don't wanna say
But I will say this
Without the savior in my life

All I would do is fail
I would be tossed and driven
Like a ship in a storm
Without a sail
So I wanna let you know

I don't get excited about much
But I'll tell you this
If you wanna know the deal
I'm telling you Jesus, He's real
You can give your life to Him,
And drink from this well that won't run dry
And that's a real nice thing

I've been a lot of places
And I've seen a lot of things
But I wanna let you know one thing, hey

I don't get excited about much
But I'll tell you this
If you wanna know the deal
I'm telling you Jesus, He's real
He's all over me
And He's keeping me alive, say
And that's a real nice thing
Yeah, yeah, yeah

(Vamp)

Jesus Is All
Jesus is all the world to me
Jesus Is All
Absolutely everything
When I was wretch undone
He looked beyond my faults
And that's a real nice thing

Jesus Is All
Jesus is all the world to me
Jesus Is All
Absolutely everything
Although He stretched His arms and died
He rose again with all power
And that's a real nice thing
