Stockings and presents under the tree
Old Christmas carols being sung on the streets
Lights fill the air, loves everywhere
(Christmas always brings us cheer)
Family you've not seen since last year
Drives several miles so they can be near
Dinners prepared, gifts often shared
(This is the best time of year)

[Chorus:]

These are the times we should hold dear
Hearts filled with joy, flowing with cheer
Songs filled with praise this holiday
Rocking this holiday with thoughts of peace
For friends and loved ones
All of these things courtesy of Christ
The newborn king

Now when we give gifts to loved ones
It should remind us of God's gift to us
Jesus the king sent from the father above
So on every Christmas day remember the reason
Why we celebrate
Lift up your voice, make a joyful noise
Give thanks for we have been reading

[Chorus x2]

These are the times we should hold dear
Hearts filled with joy, flowing with cheer
Songs filled with praise this holiday
Rocking this Christmas holiday

Stockings with presents under the tree
These are a few of my favorite things
I remember
Keeping in mind what the Father gave you and me
God gave His Son He is Christ the King
Just remember
Old Christmas carols being sung on the streets
These are a few of my favorite things

(Silent night, holy night, holding bright,
good will, peace on earth)
Salvation we can find
God gave His son
He is Christ the King

Just remember, just remember,
Just remember, remember, remember
[x5: till end]
