Away with the dark clouds  
For the sun has come out once again  
Lift your voice, celebrate  
Let the dancing begin, come say

So let the people of the Lord  
Rejoice and shout in triumph  
Oh, it's a must that you sing with us and make it loud  
So make it L.O.U.D., I said make it loud

Lift up your voices out to the heavens  
Under the anointing, don't be afraid to  
Let everyone know over and over  
You've got the victory, don't you understand

Both goodness and mercy  
Have overtaken us and we have found  
That the joy of the Lord  
Is the strength that abounds and you say

For He's made me glad  
And now my heart with hope rejoices  
So it's a must that you sing with us and make it loud  
And make it L.O.U.D., I said make it loud

Lift up your voices out to the heavens  
Under the anointing, don't be afraid to  
Let everyone know over and over  
You've got the victory, don't you understand

Lift up your voices out to the heavens  
Under the anointing, don't be afraid to  
Let everyone know over and over  
You've got the victory, don't you understand

Clap your hands everybody, yeah  
Stomp your feet everybody, yeah  
Celebrate everybody, yeah  
Dance with me everybody, yeah

Clap your hands and stomp your feet  
Do your dance and sing with me

Give Him praise for He is good  
He's good to me

Do you wanna dance?  
Come on clap your hands  
Can you make some noise?  
Do you wanna dance?

Clap your hands and stomp your feet  
Do your dance and sing with me  
Give Him praise for He is good  
He's good to me

Do you wanna dance?  
Come on clap your hands  
Can you make some noise?  
Do you wanna dance?

If it had not been for Him  
There's no way that I could live  
Give Him praise for He is good  
He's good to me

He's good to me  
He's good to me  
He's good to me  
He's good to me

Just put your hands together 'cause you love Him  
Put your hands together 'cause you're worthy  
Lift your voice and do [Incomprehensible]  
[Incomprehensible], oh, He's good

He's good to me  
He's good to me  
He's good to me  
He's good to me

Do you wanna dance?  
Come on clap your hands  
Can you make some noise?  
Do you wanna dance?

Do you wanna dance?  
Come on clap your hands  
Can you make some noise?  
Do you wanna dance?

Cry out loud  
Let the world know you're here  
Let the world know He's good to you
