#### Verse 1:

There is nothing, there is no one  
to compare to You  
You are mighty You are faithful  
there's no substitute  
I will praise you with my whole heart  
in the broad daylight  
I will lift u Your Holy Name  
in the dead of night,  
Somebody help me

#### Hook 1:

I will always chase after You  
that is where I find my breakthrough  
I will lift my voice, my heart will rejoice  
for You always cause us, to triumph, to triumph.

#### Chorus 1:

You are the lover of all and that's more than a fact  
it's the truth we stand on, we won't take it back  
We will give you praise at the drop of a hat  
because we love you like that, we love you like that

#### Verse 2:

When I did things my own way  
and fell on my face  
You always picked me up, and You held me  
in your warm embrace  
So will always find a reason  
to bless Your Holy Name, Your Holy name  
Because Your love Your love Your love  
always remains the same,  
Always, always

#### Hook 2:

I will always chase after You  
that is where I find my breakthrough  
I will lift my voice, my heart will rejoice  
for You always cause us, to triumph, to triumph.

#### Chorus 2:

You are the lover of all and that's more than a fact  
it's the truth we stand on, we won't take it back  
We will give you praise at the drop of a hat  
because we love you like that, we love you like that  
Because we love You Lord the whole earth will abound  
With a heartfelt praise, let it be a sweet sound  
we will let the world know this is how we get down  
Yes we love You like that, we love You like that.
