[Intro]

Oh, umm, yeah

Loved on me, thank you Jesus

And I thank you Lord

"Baby Dub", "Coconut", can you help me out hey yeah...

[Verse 1]

I was at the crib y'all

A few days ago

Started reminiscing

Then the tears start to flow

Thinking 'bout Your grace and Your mercy

How they pulled me in

And I got happy

I said I got happy

[Channel]

You took me from the dust-You made me

All over through and through-You know me

Not willing for me to die {Reached down and saved me
with Your precious...}

[Chorus]

Love from heaven {When I was bound it} Set me free

Now I'm thankful that You

Loved on me

[Verse 2]

It doesn't really matter

If you're young or old

And it's really not a factor

If you're rich or poor

There ain't no limit

To where His love can go

It reaches the highest high

And the lowest low

[Channel]

You took me from the dust-You made me

All over through and through-You know me

Not willing for me to die {Reached down and saved me
with Your precious...}

[Repeat Chorus 2x]

[Vamp]

Loved on me, Loved on me, Loved on me, Loved on me

Loved on me, Loved on me, Loved on me, Loved on me

[Channel]

You took me from the dust-You made me
All over through and through-You know me
Not willing for me to die {Reached down and saved me
with Your precious...}
[Repeat Channel 1x]
[Repeat Vamp-Out]
