I need more, more, more  
Jesus more of You  
I need so much more  
Jesus more, more, more

When I have been all used up  
Fill me like an empty cup  
And when it seems I have had enough  
I still need more, more, more

The hunger inside of me  
My spirit and soul agree  
I've tasted and now I see  
I need more of You

I need more, more, more  
Jesus more of You  
I need so much more  
Jesus more, more, more

If I'm in the desert place  
Or dry as an empty vase  
Fill me up till it's to the top  
I'll still need more, more, more

Like numbers go to infinity  
Or an endless eternity  
Like the universe just goes on and on  
I need more of you

I need more, more, more  
Jesus more of You  
I need so much more  
Jesus more, more, more

Lord, I need more  
I need more, I need more

I need more, more, more  
Jesus more of You  
(More of You)  
I need so much more

(So much more)  
Jesus more, more, more

I need more, more, more  
When I have been all used up  
(I need more, more, more)  
God fill me like an empty cup  
(Jesus more of You)  
And when it seems I have had enough  
(I need so much more)  
I still need more, more, more  
(Jesus more, more, more)

Quiero mas, mas, mas  
Christo mas de Ti  
Quiero mas, mas, mas  
Christo mas de Ti

Quiero mas, mas, mas  
Christo mas de Ti  
Quiero mas, mas, mas  
Christo mas de Ti

Quiero mas, mas, mas  
Christo mas de Ti  
Quiero mas, mas, mas  
Christo mas de Ti
