(Background vocals) Whoa oo oa oa oa ooooo
Trusting in someone who's made of flesh and blood
Such a frightful situation
Continual emotional intensive care
Is from too high expectations
So like a flower depends on rainfall
And like true lovers depend on phone calls
Like a song needs a tune
My heart depends on you (My heart depends on you)
Ooo oo oooo ooooo

Some folks build their life only on wealth and fame
Or if they get high place employment
Not knowing they're building hopes and dreams on
sand
They soon are disappointed (disappointed)
So like a good day (good day) depends on sunshine
(on sunshine)
And like the harvest depends on the time
Like the tide needs the moon
My heart depends on you (My heart depends on you)
Ooo oo oooo ooooo

On Your Holy Word I am standing
For every word is true
That's why I'm trusting in You
Like a comedian needs to be funny
And like a banker depends on money
Like a bride needs a groom

My heart depends on you (My heart depends on you)
Ooo oo oooo ooooo

On Your Holy Word I am standing
For every word is true
That's why I'm trusting in You
I trust You

(Repeat x2, then out) (After x2, simultaneously)
My heart depends on you You know my heart
My heart depends on you You know my heart
My heart depends on you You know my heart

My heart Depends on You
My heart

Myyyy heart
Just like the flower depends on rainfall
Just like a good day depends on blue skies
My heart depends on yooooou
Just like a banker
Depends on money
Just like a bride
Needs a groom
You know my heart depends on You
