We started out so deep in love, We knew it was from
God above
Two hearts as one, each other we adored.
Now bitter winds begin to blow, And blocks the warmth
we used to know
To hide the feelings that were there before
Gone are the glad times, Smiles warm and tender
If sheâ€™d look into me, Iâ€™m sure sheâ€™d
remember
That thereâ€™s a loving Inside me worth saving
So I stand praying for my lady and myself.
My lady, My Lady and myself

This carâ€™s grown cold Iâ€™m sitting in, Itâ€™s
getting late I should go in
But my hands and head still lay here on the wheel
Two men exist inside of me, one sayâ€™s stay and one
sayâ€™s leave
Does anybody know just how I feel?
Gone are the glad times, Smiles warm and tender
If I could look deeper, Iâ€™m sure Iâ€™d remember
That sheâ€™s baby, I donâ€™t maybe
So I stand praying for my lady and myself.
My baby, My baby and myself

Weâ€™ve weathered storms before, Been through
challenges galore.
Now weâ€™ve become, Two instead of one.
But it breaks my heart when I, See tears fall from her
eyes
Lord will you help us, Cause I donâ€™t know what to
do?

I love her, (But I donâ€™t know what to do)

Iâ€™m standing, Calling you, Calling you Lord, Iâ€™m
calling you Lord
As I stand Praying for my Lady and Myself

I love her, (We wonâ€™t make it without You)
Iâ€™m standing, Calling you (The Cold winds have
come to take Your love away)

(But weâ€™re a family and I need to know, can I find
the strength to hang on
in there)
(I hate to see her cry Oâ€™ Lord, but itâ€™s been so
long, where did we go
wrong)
(Please help us see, what we need to be to each other,
to each other)
Sheâ€™s my lady, Sheâ€™s my lady, Sheâ€™s my
lady
