There is no greater love, no greater love
Than the one You have for me, Lord
There is no greater love, no greater love
Than the one You have for me

Your mercy, so tender
Erasing my transgressions
There is none greater
There is none greater

Your mercy, so tender
Erasing my transgressions
There is none greater

There is no greater love, no greater love
Than the one You have for me
There is no greater love, no greater love
Than the one You have for me, Lord

Your mercy, so tender
Erasing my transgressions
There is none greater
There is none greater

Your mercy, so tender
Erasing my transgressions
There is none greater

There is no greater love, no greater love
Than the one You have for me, Lord
There is no greater love, no greater love
No greater love

Your love for me is forever
Your love for me is forever
To me there is none greater
To me there is none greater
Your love for me is forever
Your love for me is forever
No greater, no greater
No greater, no greater

Your love for me is forever
Your love for me is forever
To me there is none greater
To me there is none greater

Your love for me is forever
Your love, there is none greater
No greater, no greater
No greater, no greater

Your love for me is forever
Your love for me is forever
To me there is none greater
To me there is none greater

Your love for me is forever
Your love for me is forever
No greater, no greater
No greater, no greater

Your love for me is forever
Your love for me is forever
To me there is none greater
To me there is none greater

Your love for me is forever
Your love, there is none greater
No greater, no greater
No greater, no greater

Your mercy, so tender
Erasing my transgressions
There is none greater
There is none greater

Your mercy, so tender
Erasing my transgressions
There is none greater
