(Chorus)

No weapon formed against me shall prosper, it won't work

No weapon formed against me shall prosper, it won't work

God will do what He say He would do

He will stand by His word

And He will come through

God will do what He say He would do

He will stand by His word

And He will come through

(Chorus)

No weapon formed against me shall prosper, it won't work

No weapon formed against me shall prosper, it won't work

God will do what He said He would do

He's not a man that He should lie

He will come through

God will do what He said He would do

He will stand by His word

He will come through

(Bridge)

Oh I won't be afraid of the arrows by day

From the hand of my enemy

I can stand my ground with the Lord on my side

For the snares they have set will not succeed

(Chorus)

No weapon formed against me shall prosper, it won't work

No weapon formed against me shall prosper, it won't work

For I Know God Will do(said he would do it) What he

said he would do(said he would do it)

He will stand by his word(stand by his word), he will come through

God will do what(said he would do it) he said he he's

gonna do(said he would do it) stand by his word(stand
by his word) NO NO NO WAY!

(Chorus)

No weapon formed against me shall prosper, it won't
work

No weapon formed against me shall prosper, it won't
work

It won't work don't be afraid of the arrows or the snares
that... if you believe say you OOOO

There just aint one(there just aint one)

There just aint one(there just aint one)

No Weapon
