(Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa)
Can I moan a little bit, hey
(Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa)
(Whoa, whoa, whoa, whoa, whoa, whoa, whoa, whoa)
Hey, all the brothers, all my sista's, oh, oh, oh, oh

Worthy, worthy
You know what I mean
Is the lamb of God, gave his life to make us clean
What an awesome price was paid
So I lift up my voice to say I love you

Thank you, thank you
Hear what I'm sayin'
To the Lord of my life, forevermore
That's how it's layin'
All the nations
All the people
If you love him let me hear you say we lift

We lift your name on high
The savior of our lives
The way, the truth, the light
My, oh, my, oh, my
Praise belongs to you

Glory, glory
I said it before
I'm sayin' it now
And I'll be sayin' it forevermore
All power belongs to you
So with all of my heart I give you honor

Holy, holy
Lord God almighty
Who sits on the throne of my heart
(All day and night)
All the brothers
All the sisters
If you love him let me hear you say we lift

We lift your name on high

The savior of our lives

The way, the truth, the light
My, oh, my, oh, my
Praise belongs to you

We lift your name on high
The savior of our lives
The way, the truth, the light
My, oh, my, oh, my
Praise belongs to you

You're worthy, so worthy
You are Lord and Lord alone
You're worthy, so worthy
The holy king upon the throne
You're worthy, so worthy
To be praised forevermore
My, oh, my, oh, my
Sister says, oh yeah

Dominion and glory
Lion and the lamb so holy
You are the all knowing
All power belongs to you
So worthy, you're so worthy
My, oh, my, oh, my
Praise belongs to you

Dominion and glory
Lion and the lamb so holy
You are the all knowing
All power belongs to you
So worthy, you're so worthy
My, oh, my, oh, my
Praise belongs to you

You're worthy, so worthy
(Dominion and glory)
You are Lord and Lord alone
(Lion and the lamb so holy)
You're worthy, so worthy
(You are the all knowing)
The holy king upon the throne
(All power belongs to you)
You're worthy, so worthy
To be praised forevermore
(So worthy, you're so worthy)
My, oh, my, oh, my
Praise belongs to you
