Seasons come and they go
But all you've established shall hold fast
And on that we can rest assured and beyond
imaginations
Every promise You have given me will come true

I see You, so sovereign
You are the only God so wise
In Your hands
You hold my times

I can hold You to Your word
You're never wavering
You won't turn, for I am sure
You are my promise keeper

Exceeding all my expectations
I find myself believing you with no hesitation
'Cause You proved to me, You're awesome
I can so clearly see my life is Yours, Ei Shaddai

I see You, so sovereign
You are the only God so wise
In Your hands
You hold my times

I can hold You to Your word
You're never wavering
You won't turn, for I am sure
You are my promise keeper

Heaven and earth will pass away
Before one word You speak will ever fade
Promise keeper, promise keeper
Promise keeper

I can hold You to Your word
You never wavering, You won't turn
For I am sure
(For I know)
You are the promise keeper
