What do you do
When the life you've planned is shattered
What do you say
When the one you love is gone

How do you live
Seems like no hope for tomorrow
Pain doesn't care where you live or who you are

Lord You see my life is broken
And I don't know what to do
While I'm in this change, help me remain
I will count on You, oh, oh

When I can't see, I know you'll guide
When I cry out, I know you feel
Now I am praying, I know you hear
Praying for healing, I know you heal

Who do you call
When no one has the answer
Where do you go
When the place you've known is no more

When will it end
All the tears they just keep fallin
Pain doesn't care where you live or you are

When I can't see, I know you'll guide
When I cry out, I know you feel
Now I am praying, I know you hear
Praying for healing, I know you heal

We ask you to forgive
And we will do the same
We receive your love
And we take this time to heal

Hold on and wait just a little while
He'll bring a song of strength in the midnight
Touch our lives with Your loving Hand

Hold on, Hold on

Hold on don't you ever let go
Let my Jesus lead, I guarantee you He knows.
The road is rough, the going gets tough
The hills are hard to climb looking for peace of mind

Hold on, don't you ever let go!
