Troubles come and they don't last,  
Cause deep in my heart, I'll trust,

Trust in the Lord and He will make a way,  
Trust in the Lord; He will make a way

There are things I just don't seem to understand,  
But I'll still trust

Trust in the Lord and He will make a way,  
Trust in the Lord; He will make a way.

When I feel the weight of the world on me,  
Thoughts and opinions I cannot please,  
I know that the Lord holds my destiny,  
I will

Trust in the Lord and He will make a way,  
Trust in the Lord; He will make a way

Friends may come and friends may go,  
It won't get me down cause I will

Trust in the Lord and He will make a way,  
Trust in the Lord; He will make a way

I acknowledge you Lord in all that I do,  
For your Word promises that you will see me through,  
And even in times when my way may seem dark, I will,

Trust in the Lord and He will make a way,  
Trust in the Lord; He will make a way.

For all His ways are right and true,  
He knows what's best for me and you,  
And I've made up my mind,  
That nothing can change my faith in His Word

I can depend on Him,  
I can count on Him,  
I will, trust, in Him,  
Always.....
