(Verse 1)

Let's face the facts, hey yeah  
With their spirits hopeless, bruised and broken  
So much we lack  
More defeated words have not been spoken  
Out of twelve who stood to speak their mind  
The report was filed by ten  
But the last two stood with quite a different spin  
They said I don't agree with those who say  
In our own eyes we are small  
For we serve a true and living God  
And He is the Lord of all

(Channel 1)

And if He said the land is ours then we  
Should move ahead with no delay

(Chorus A)

(You know that we) We are more than able  
(You know that we) We are more than able  
(You know that we) We are more than able  
Yes we are

(Verse 2)

When asked to give  
A true assessment for the task before you  
Stop and re-live  
The many ways His mighty arms has brought you  
through  
Remember every lion's den  
And don't forget your last red sea  
Know with God there's endless possibilities  
So let us see ourselves as those can  
Even if we can't see how  
Let us see and dream, possess and build  
Even if giants live there now

(Channel 2)

'Cause if He says the land is ours then we  
  
Should move ahead with no delay

(Chorus B)

We are more than able

(Come on, you know that we) We are more than able

(You know that we) We are more than able

Yes we are, yes we can, yes we will, 'Cause we're more

We are more , we are more

(Repeat Channel 1)

(Repeat Chorus A)

(Vamp)

Yes we are say, yes we are say

With the Lord on our side we can do it, yeah

Yes we are say, yes we are say

With the Lord on our side we can do it, yeah

Yes we can say, yes we can say

With the Lord on our side we can do it, yeah

Yes we can say, yes we can say

With the Lord on our side we can do it, yeah

Yes we will say, yes we will say

With the Lord on our side we can do it, yeah

Yes we will say, yes we will say

With the Lord on our side we can do it, yeah

(Tenors:) More than able, we are more than able

(Altos:) More than able, more, more than able, more

(Sopranos:) Yes we are, yes we are, yes we are, yes we are, so much more

(Repeat)
