Everybody say blessed, say blessed, say blessed

Blessed, blessed  
Blessed, blessed  
Blessed, blessed

Since though hast walked uprightly, as a light in a dark  
land  
Since though hast placed in thine heart, all the Lord's  
commands  
He's set thee above nations and cast thine enemies  
away  
He's standing up within thee, so let me hear you say

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold  
Sickness and poverty must cease  
For the Devil is defeated  
We are blessed

Though believeth in God only and put no confidence  
in man  
Everything that does concern thee, you placed it in His  
hands  
Though a host rise up against thee to try and spoil the  
day  
They'll rush in one road to harm thee but they'll flee in  
seven ways

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold  
Sickness and poverty must cease  
For the Devil is defeated  
We are blessed

We know that God's word is clothed in truth and  
righteousness  
We are his children and with our hearts we do confess

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold  
Sickness and poverty must cease  
Right now the Devil is defeated, say  
We're blessed, we're blessed

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold

Sickness and poverty must cease  
For the Devil is defeated  
We are blessed

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold  
Sickness and poverty must cease  
For the Devil is defeated  
We are blessed

We're blessed in the city  
We're blessed in the field  
We're blessed when we come and when we go  
We cast down every stronghold  
Sickness and poverty must cease  
For the Devil is defeated  
We are blessed

Everybody say

Blessed, blessed  
Blessed, blessed  
Blessed, blessed

Late in the midnight hour, God's gonna turn it around  
It's gonna work in your favor, just you wait, now

Wave your hands in the air and wave it like you just  
don't care  
If you gonna be [Incomprehensible] anyhow somebody  
say  
Oh yeah, oh yeah, oh yeah, oh yeah  
Oh yeah, oh yeah, oh yeah, oh yeah

Late in the midnight hour, God's gonna turn it around

It's gonna work in your favor, say

Late in the midnight hour, God's gonna turn it around  
And around and around and around and around  
Late in the midnight hour, God's gonna turn it around  
It's gonna work in your favor

Late in the midnight hour, God's gonna turn it around  
And around and around and around and around  
Late in the midnight hour, God's gonna turn it around  
It's gonna work in your favor

Late in the midnight hour, God's gonna turn it around  
And around and around and around and around  
And around and around and around and around  
And around and around
