When I come home to you
It's so incredible
When I come home to you
It makes my heart feel glad,
When I come home to you girl,
All my dark clouds
When I come home to you,
They start to fade
It's so amazing,
I thank God
I know He's smiles on me
When I,
When I come home to you lady.
And look into your eyes
When I come home to you, you
Honey I still mesmerized.
When I coome home to you,
Knowing you believe in me.
When i come to you,
It gives me courage
To keep on,
Cause it's your love that keeps me strong ooh
This is true,
When I come home to you
The day you gave to me your hand,
It truely made me a better man.
Some days we laughed and cried and cried and
laughed again.
But we always when, yeah yeah.
When I come home to you. Hey yeah
When I come to you,
I know you have prayed
When I come home to you
That our family
Will stay strong.
Always together,
Right or wrong.
That touches me girl,
When I come home to you. Ooo, uuh.
You weathered every storm,
And still your heart for me stays tender.
And after all these years you still cherish my ring,

And my heart sing. Oooo
The day you gave me your hand girl,
That was the day I became a better man.
Some days we laughed and cried, and laughed and
cried,
Laughed and cried again,
But we still win
As long as I come home
(I'm always coming home to you baby) I vow to always
come home
(Have no fear I'm coming home baby) Have no fear, I'm
coming home
(Rest a sured I'm coming to you darling) Rest a sured, I
got lost before. But I don't get lost no more
(Have no fear, please have no fear) Ooo, Have no fear,
have no fear, have no fear. Ah, ah, Ooh
I'm always coming home to you baby
Oh Ooo oh oh.
