(verse 1)

i will live and not die
for every need there is supply
for the savior says just ask, just ask and
believe that you'll received
and if you ask the impossible won't he do it somebody
say
yes he will, yes he will, yes he will, oh yes he will

(verse 2)

from deep in debt to being free
if you need that mountain in the sea
if it seems too hard for you, oh
just believe that he wants to
do what seems impossible for you right now just say,
yeah
yes he will, yes he will, yes he will, oh yes he will
right now can you say with me?

(chorus A)

i believe he'll bless me
i believe he'll touch me
i believe he'll heal me
oh yes he
yes he will, yes he will, yes he will, yes he will

(verse 3)

believe only and do not doubt
if fear moves in evict it out
for the lord responds to faith
and he longs to save the day
and if you ask the impossible, won't he do it say
yes he will, yes he will, yes he will, oh yes he will

(chorus B)

i believe he'll save me
i believe he'll keep me
i believe he'll hold me
oh yes he
yes he will, yes he will, yes he will, yes he will

(channel)
our father, he loves to respond to our faith
it's his good pleasure
and if i ask the impossible, will he do it for me
i gotta believe one thing
that he will, that he will
somebody say yes he will

(vamp)
yes he will, yes he will, yes he will, yes he will, yes he
will, yes he will, yes he will
yes, yes
say yes he will
oh yes he will
