Every step of a righteous man is ordered by God,  
ordered

Though you may not know His mind  
He will reveal it all in time, just know till then  
Your steps are ordered by God

When it feels like the mountains to high  
And I'm tired of the climb  
When it feels like my patience is frustrated with time  
I depend on the spirit to gently remind

Every step of a righteous man is ordered by God,  
ordered

Though you may not know His mind  
He will reveal it all in time, just know till then  
Your steps are ordered by God

When my faith is challenged and my vision is obscured  
When I'm hanging on by a thread and my footings  
unsure  
I hear in the spirit, one word to help me endure  
And it says, "Ordered"

Ordered, ordered, ordered  
Before the world was framed  
Ordered, ordered, ordered  
Before the whole world was framed  
Ordered, ordered, ordered

Through the fire, through the flood  
When life takes you through winding turns

Ordered, ordered, ordered

Ordered, ordered, ordered  
Before the whole world was framed  
Ordered, ordered, ordered

Through the fire, through the flood  
When life takes you through winding turns

Ordered, ordered, ordered
