Come back baby, I love you
Come back baby, I need you
Come back baby, I love you

Ooo baby, I love you
Ooo-ooo
Ooo baby, I love you
Ooo-ooo

Although I know you are gone
Memories still linger on
From your love I'll never be free
I love you baby
You'll always be a part of me
I need you, ooo

These memories just wont give me time
I love you
There's always something here to remind me

Ooo baby, I love you
Ooo-ooo
Ooo baby, I love you
Ooo-ooo

Everyday, I just walk alone
Cause without you I just can't go on
The months have come, the months have gone
I love you, baby
But I still wait for you to come back home
I need you, baby

Every night I wake up crying
I love you baby
But baby, there's no need denying

Ooo baby, I love you
Ooo-ooo
Ooo baby, I love you
Come back baby, I love you
Come back baby, I need you

Can't you hear me callin you, yeah
Come back baby, I love you
