Feat. Susan Anton

FRED

Two of us, time to kill
Tradin lies in this old bar and grill
For an hour or two

SUSAN

Sweet red wine, no regrets
Feelin fine, but I'll feel better yet
All alone with you

BOTH

This moment wont last forever

S And darlin we both know better
F But wheres the crime in killin time
S Time for holdin one another
F Killin time
S Time enough to touch each other
B Wheres the crime
F In killin time
S Killin time

FRED

1203, room 5-H
Call it chance or you can call it fate

SUSAN

But were alone tonight
It'll be alright

F Killin time
S Time for holdin one another
F Killin time
S Time enough to touch each other
B Wheres the crime
F In killin time
S Killin time

SUSAN

615, sun comes up

FRED
Your reflection in my coffee cup
And it was alright

SUSAN
You know it was alright

B No moment can last forever
F And darlin we both knew better
F But wheres the crime
S Wheres the crime
F In killin time
S Time for holdin one another
F Killin time
S Time enough to touch each other
B Wheres the crime
F In killin time
S Time for holdin one another
F Killin time
S Time enough to touch each other
B Wheres the crime
F In killin time
