(guitar)

Well, now
Brooks run into the ocean, you know
Ocean run into the sea
If I don't run into my baby, you know
Somebody got to run into me
But I say, well that's alright

(guitar)

Lord, I thought I'll run into my baby ch-i-i-ild
Somebody sho' nuff
Got to run into me, yeah

Yeah, now!

Well, now!
Gonna buy me a bull dog
Tie him in my backyard
That gon' keep my woman
You know from slippin' in the dark
I said, well

(guitar)

What?

Let her go awhile

(guitar)

Well, now
Brook run into the ocean
Ocean run into the sea
I don't run into my baby
You know my
Somebody got to bury me
But I said, that's alright

(guitar)

You know that I'll run to my baby ch-i-i-i-iild
Somebody got to bury me

(guitar)

Yeah!

Yeah!

Well, now
Woked up this mo'nin'
Feelin' bad
Thought about that good lookin' woman
You know, once I've had
But I said, that's alright

(guitar)

Lord, now!
Thought about that woman, man!
Woo, Lord, I once have had, you know

(guitar)

What now!

(guitar to end)
