We have got this feeling, oh yeah
When the music plays, we've got to celebrate
We don't got no reason, oh no
Cause we are dancing babe, just like a hurricane

I can't slow down
This thing is turning me around
I need your love, baby can't hold on
Can't stop now
Oh when you're giving more than I can take

I can't slow down
Oh when you're spinnin' me around
'Cause this is love, baby can't hold on
Touch me now
I need a little more than I can take

We have got this feeling, oh yeah
When the music plays, we've got to celebrate
We don't got no reason, oh no
Cause we are dancing babe, just like a hurricane

And I'm still believing, oh
I'm never gonna give you up

I can't slow down
This thing is turning me around
I need your love, baby can't hold on
Can't stop now
Oh when you're giving more than I can take

I can't slow down
This thing is turning me around
Can't stop now
Oh when you're giving more than I can take

It could never be wrong you see, like a fantasy
You've got me running back for more
I'm telling you honestly, something you do to me
All night long

I can't slow down

Oh when you're spinnin' me around
'Cause this is love, baby can't hold on
Touch me now
I need a little more than I can take

I can't slow down
This thing is turning me around
I need your love, baby can't hold on
Can't stop now
Oh when you're giving more than I can take
