sparks fly when they die this is so awkward
i got burned then i learned your not who i thought you
were
as friends we could blend but now i'm not so sure
don't try heard you lie this is so absurd
stood me up sitting duck in the middle of the mall
everyone poking fun think i'm gonna burst
i don't like the way you talk to me when you don't get it
your way so
it's over!
it's over!
yeah i don't like the things you do when i'm not
standing next to you
it's over!
it's over!
HEY!
HEY!
HEY!
now listen up
such a stress
it's a mess
wish i wasn't such a fool
jealous much had to touch breakin' all the rules
talkin snap behind my back in the locker room
in a while like a style i'll be over you

people change life is strange never watcha think
i'm aware when they stare and it's makin' me sick
i don't like the way you talk to me when you don't get it
your way
it's over!
it's over!
yeah i don't like the things you do when i'm not
standing next to you so
it's over!
it's over!
that's why i'm over you!
that's why you make me feel blue!
that's why i'm over you!
HEY!
HEY!
HEY!

i don't like the way you talk to me when you don't get it
your way so
it's over!
it's over!
yeah i don't like the things you do when i'm not
standing next to you so
it's over!(x4)
