Feeling better now that we're through
I'm feeling better 'cause I'm over you
I learned my lesson and it left a scar
Now I see how you really are

I broke a few hearts that's gentle and true
I broke a few hearts over someone like you
I'd beg his forgiveness on a bended knee
I wouldn't blame him if he said to me

You're no good
You're no good
You're no good
Baby you're no good

I'm gonna say it again
You're no good
You're no good
You're no good
Baby you're no good

You're no good
You're no good
You're no good
Baby you're no good

I'm gonna say it again
You're no good
You're no good
You're no good
Baby you're no good

I'm telling you bye baby and I'm going away
Forget about you baby I'm going to say

You're no good
You're no good
You're no good
Baby you're no good

I'm gonna say it again

You're no good
You're no good
You're no good
Baby you're no good

Oh, oh yea
You're no good
You're no good
You're no good
Baby you're no good

One more time
You're no good
You're no good
You're no good
Baby you're no good

You're no good
You're no good
You're no good
Baby you're no good
