Ah, la
Ah, la

Ah, la
Ah, la

Ah, la
Ah, la

Ah, la
Ah, la

Ah, la
Ah, la

I thought the moon rose making me mad
And soon again I would stir Pan
Silhouettes looked out from towers, they cast a spell on
me
One night chased me possessed down paths

Catch me, catch me
Catch if you can
Catch me, catch me
Catch if you can
Catch me, catch me
See if you can
Ah, oh

Sing that song awake the beast
The people noticed clues in my speech
But you know what's in me: I ran from it too
But stomp the ground 'till out it flew

Catch me, catch me
Catch if you can
Catch me, catch me
Catch if you can
Catch me, catch me
See if you can

The people told me I was mad

For the many worlds I have
But swim in my sea, catch the pearl in me
Don't let the darkness keep you from knowing me

Catch me, catch me
Catch if you can
Catch me, catch me
Catch if you can
Catch me, catch me
See if you can
