"Do So"

no one notices such a slow decline
I used to be yours and you used to be mine
you used to be mine
you used to be mine
you and me alone here
is just a memory
nothing grows here and nothing ever will
it all died a while ago but I wait here still
I wait here still
you and me alone here
is just a memory
I can't help you
and you can't help me
it's so sad
so sad
no one notices such a slow decline
I used to be yours and you used to be mine
you used to be mine
you used to be mine
you and me alone here
is just a memory
