Come on baby, let me take you by your hand
Come on sweet thing, let me take you by the hand
Can't you see, I wanna be your candy, candy
Your candy man?

Come on sweet thing, I love your honey lovin', your
honey lovin' ways
Come on sweet thing, I love your honey lovin', your
honey lovin' ways
Can't you see, your for me, I wanna be your candy,
candy
Your candy man?

Go there

Come on sweet thing, I gonna treat you right
Making candy kisses now, every single night
Candy man, candy man, candy, candy, candy

Can't you see, I wanna be, talk about your candy, candy
Your candy man?
Candy man, candy man, candy man, candy man
Candy man, candy man, candy man, candy man
