Now I'm just a country boy
I got sand all in my shoes
You know I got stuck in the big city
Got to sing the big city blues

Yeah yeah Miss Lindy
Say baby don't you leave home
I don't care about them
And I don't like it
Well they best leave us alone

Hey Miss Lindy
I said baby don't you go

If I got to jump in the muddy Mississippi
Gonna swim to the gulf of Mexico
Say swim to Mexico
Let's swim

See I'm just a country boy
I got sand all in my shoes
You know I got stuck in the big city
Got to sing the big city blues
City blues

Yeah Miss Lindy
Yeah yeah Miss Lindy
