All those memories remind me of you
Days gone by, of the good times we knew
These are the songs that, make them all come true...

Sixteen candles, in my heart will glow, forever and ever
For I love you so...

Earth angel, Earth Angel, will you be mine
My darling dear, love you all the time
I'm just a fool, a fool in love with...

Only you... can make this change in me
For it's true, you are my destiny
When you hold my hand, I understand the magic that
you do
You're my dream come true, my one and only you

You're a thousand miles away, but I still have your love
To remember you by, oh my darling, dry your eyes,
Daddy's coming home soon...

You don't remember me, but I remember you
Twas not so long ago, you broke my heart in two...
Tears on my pillow, pain in my heart... caused by you

Now I don't have hopes and dreams
And I don't have plans and schemes
I don't have anything, since I don't, since I don't
Have you...

In the still of the night, I held you, held you tight
In the still of the night...

And all those memories, remind me of you
Days gone by, of the good time we knew
These are the songs that, make them all come true.
